RE: High School Drag Racing
Program

DATE: 96.02.16

Your request to permit a school team to participate in the High School Drag Racing Program, under the auspices of the British Columbia Secondary School Motorsports Association is approved.

Given the perception of danger that may be associated with this activity, parents should be given an opportunity to ask questions at a meeting. The required permission slips and waiver of liability forms are to be completed. Field Trip forms also are to be completed.

Good luck and best wishes.
