**DIRECTOR OF INSTRUCTION
CAREER EDUCATION**

October 5, 1999

To Whom It May Concern:

In June of 1999 the Board of School Trustees for School District #59 gave approval in principle for South Peace Secondary to participate in High School Drag Racing under the auspices of BCSSMA. The Board has requested more information about the racing activities, the rules, the liability, etc. but they sanction the school's participation.

Yours truly,

Patrick E. O'Reilly
Director of Instruction
