Re: B.C. Secondary School Motorsport Association (BCSMSA)

Trustees considered your request for the formation of a local chapter of the BCSMSA at Caledonia.

Permission was given "in principle" for the plan, however, the Board did place some conditions on the approval.

1. The approval is subject to a review of legal and insurance matters by the Secretary Treasurer.
2. Racing is only to be done on an NHRA approved track. The track must be maintained and insured under NHRA guidelines.
3. You must ensure that all sponsors, promoters, etc. (including BCSMSA and the owner of the NHRA track carry their own insurance).
4. All student participation must be under the direct supervision of the teacher-sponsor of the racing program.
5. If you run into difficulty with any of the foregoing or require further assistance, please call.

B. D. Piersdorff, CMA
Secretary Treasurer
