BC Secondary School Motorsport Association
c/o Mr. Geoff McElgunn
Centennial Secondary School
570 Poirier Street
Coquitlam, BC V3J 6A8

This letter is to confirm The Board of Education of School District No. 83 (North Okanagan-Shuswap) provides approval for Salmon Arm Secondary School to participate in the BC Secondary School Motorsport Association drag races.

We continue to approve participation of our students and secondary schools in the High School Drag Racing Program as sponsored by British Columbia Secondary Schools Motor Sport Association. We view this as an extra curricular activity and as such extend eligibility for protection under the School Protection Program liability insurance.

We ask that prior to participation, meetings be held with parents to explain any potential risks and the level of supervision. Parents (or students aged 19 or older) must then sign a release and waiver indicating they have been informed, understand and accept any of the risks involved in the participation.

Sincerely,

Bruce Hunt, CGA
Secretary Treasurer

North Okanagan-Shuswap School District #83
